

RANGER RAPTOR

BIRTH OF A NEW BREED

How do you create the ultimate performance bakkie?
You engineer it to thrive in the world's most brutal
environments. To handle the most aggressive
off-road driving. You create a whole new category
of tough bakkie.

Shown on a controlled course with a professional driver demonstrating off-road capability.

BORN TO PERFORM

We designed the All-New **RANGER RAPTOR's** entire frame to be ultra-durable and to handle punishing surface drop-offs most other bakkie's simply can't survive. 283mm of ground clearance puts ample space between you and almost any off-road. A 32.5° approach angle, 24° departure angle, and 24° breakover angle help you tackle harsh gradients. Class-leading 850mm water wading makes light work of epic river crossings!

Shown on a controlled course with a professional driver demonstrating off-road capability. *Class-leading in VFACTS Pick-up/Cab Chassis 4x4 Segment. Achieved when maintaining a steady speed of 7 km/h.

COMFORT OUT OF YOUR COMFORT ZONE

While the All-New **RANGER RAPTOR** may have been built to perform off-road, it is safe to say that driver comfort has not taken a back seat. In fact, the All-New **RANGER RAPTOR** is filled with the little luxuries that make it easy for you and your pick-up to perform in comfort – no matter what terrain you've taken on. Packed with features like the Dual-zone Automatic Climate Control, the leather-wrapped sports steering wheel, gearshift and handbrake and not one, but two 12V power outlets, the cabin couldn't be better appointed. You take on the challenge at hand, and the All-New **RANGER RAPTOR** will take care of your comfort level, while you're out of your comfort zone.

Bi-TURBO ENGINE

10-SPEED AUTO TRANSMISSION

More Top-End Power. More Bottom-End Torque

The innovative Bi-Turbo engine's two turbos work sequentially to deliver huge power and torque on demand.

10-Speed Auto Transmission

Ford's latest transmission technology works seamlessly with its turbocharged engine for improved power delivery and quicker gear changes.

SYNC³ Apple CarPlay™ & Android Auto¹

The All-New **RANGER RAPTOR's** voice-controlled SYNC³ system keeps you connected, entertained, and on track. The 8" touchscreen features a unique start-up screen and supports functionalities like swipe.

Magnesium Paddle Shifters

High-quality magnesium paddle shifters on the perforated leather steering wheel allow for fast shifting without taking your hands off the wheel.

Race-Bred Suspension

The All-New **RANGER RAPTOR's** suspension system was calibrated to tackle tough terrain. Standard 2.5" FOX Racing Shocks deliver 30% more wheel travel compared to **RANGER**.

33" BFGoodrich® Tyres

High-tech all-terrain tyres come standard, boasting a precise tread pattern, longer tread life, and 20% tougher side walls compared to standard factory tyres.

Body-Contoured Sports Seats

The All-New **RANGER RAPTOR's** purpose-built sports seats include unique headrests, enhanced bolsters and suede inserts for better body grip when driving off-road.

Huge Bash Plate

The All-New **RANGER RAPTOR's** underbody shield is mammoth. Its 2.3mm thick high-strength steel is designed to absorb the impact from almost any off-road event.

¹Apple CarPlay/Android Auto requires phone with compatible version of Apple iOS/Android™ (as applicable), active data service, and connection cable (sold separately). SYNC³ does not control Apple CarPlay/Android Auto while in use. Apple/Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay™, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink™ is available on selected SYNC³ models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.

6-Mode Terrain Management System

Ford engineers designed and calibrated the All-New **RANGER RAPTOR** to stringent Ford Performance standards. A cutting-edge Terrain Management System offers 6 pre-set driving modes to conquer virtually any terrain, at the push of a button.

Colours

Conquer Grey²

Ford Performance Blue²

Frozen White

Shadow Black²

Colorado Red

²Optional Prestige Paint incurs additional charge.

Wheels

17" forged aluminium bead-lock capable wheel. Standard on the All-New **RANGER RAPTOR** derivatives.

FORD CREDIT

As part of the Ford family, Ford **CREDIT** can offer a number of unique finance options to make owning a new or used vehicle affordable and simple. For more information regarding Ford **CREDIT**, speak to your Ford Dealer or go to www.ford.co.za/buying/ford-credit/home.

FORD PROTECT

Genuine parts. Genuine service.

Enjoy years of trouble-free motoring and preserve the value of your new Ford by fitting only genuine Ford parts and accessories. Servicing your new Ford at a Ford Dealer will also protect you and your vehicle warranty.

Business and Commercial Fleet Customers.

The Ford portfolio of products is growing rapidly to meet your business needs.

Please contact your local Ford Dealer for more information
or visit our website at www.ford.co.za/fleet
or alternatively email us at fleetsa@ford.com.

Ford PROTECT

Ford **PROTECT** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new **RANGER RAPTOR** in perfect working condition.

New Vehicle Warranty – Every new **RANGER RAPTOR** comes with a 4-yr/120 000km Comprehensive Warranty.

Service Plan¹ – Every new **RANGER RAPTOR** comes standard with a 6-yr/90 000km Service Plan, which covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades.

Corrosion Warranty – Cover lasts for 5-yr/unlimited km.

Roadside Assistance – Cover lasts for 3-yr/unlimited km for mechanical, electrical, flat tyres, batteries, medical emergencies and towing, if needed, to the nearest Ford dealership.

New Vehicle Extended Warranty – An Extended Warranty may be purchased prior to the expiry of the 4-yr/120 000km New Vehicle Warranty. You have many coverage, time and kilometre choices, ranging from 7 years to 200 000km from the date of sale.

Consult the vehicle handbook, www.ford.co.za or your nearest Ford Dealer for more information regarding Ford **PROTECT** plans and products.

*The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101:2006/ECE R101:2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully too.

Green

Using advanced Ford technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Vehicles with smart intuitive technologies designed to connect your world, and many clever solutions from Ford that make life a little easier.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. Printed July 2019.

ALL-NEW RANGER RAPTOR

Engine

Engine type	4-cylinder
Engine size (cm ³)	1996
Maximum power	157kW @ 3 750rpm
Maximum torque	500Nm @ 1 500 – 2 000rpm
Fuel management system	Turbocharged common-rail direct diesel-injection engine
Fuel tank capacity (L)	80

Transmissions

10-speed automatic transmission	Std
Magnesium paddle shifters	Std

Fuel Consumption

Fuel economy (L/100km) – combined cycle*	8.3
CO ₂ emissions (g/km) – combined cycle*	220

Suspension

Front suspension	Independent SLA front suspension with aluminium arms, featuring FOX 2.5" internal bypass shock absorbers with position sensitive damping
Rear suspension	Multilink solid rear axle with Watt's linkage, featuring FOX 2.5" internal bypass shock absorbers with position sensitive damping

Brakes

Front brakes	332 x 32 vented discs
Rear brakes	332 x 24 vented discs

Pick-up Box Dimensions (mm)

Length	1 743
Pick-up box height – at centre-line of axle	561
Pick-up box height – floor height to ground	964
Width – between wheelhouses	1 139
Width – pick-up box	1 560
Width – rear opening	1 485

Exterior Dimensions (mm)

Overall height (unladen)	1 873
Overall width with mirrors / mirrors folded / without mirrors	2 180 / 2 028 / 2 028
Overall length	5 398
Front overhang	908
Rear overhang	1 270
Front and rear track	1 710
Wheelbase	3 220
Ground clearance (unladen)	283
Wading depth (mm)	850
Approach angle (unladen, degrees)	32.5
Departure angle (unladen, degrees)	24.0
Ramp breakover angle (degrees)	24.0
Turning circle – kerb to kerb (m)	12.9

Interior Dimensions (mm)

2nd-row headroom	986
2nd-row legroom	902
2nd-row shoulder room	1 432
Front headroom	1 022
Front legroom	1 116
Front shoulder room	1 355

Vehicle Mass

Front axle load (maximum) (kg)	1 550
Gross combined mass (kg)	5 350
Gross vehicle mass (kg)	3 090
Maximum braked towing capacity (kg)	2 500
Kerb weight (kg)	2 332
Payload (kg)	758
Rear axle load (maximum) (kg)	1 540

Exterior

17" Alloy wheels – Dyno Grey	Std
33" BFGoodrich All-Terrain T/A® KO2 tyres (285/70 R17)	Std
Decal Package	Opt
Door handle and exterior mirrors – Dyno Grey	Std
Heated power-adjustable and folding mirrors with indicators and puddle lamps	Std
Front and rear mudflaps	Std
Front bumper – chassis-mounted in Dyno Grey	Std
Grille – unique RAPTOR design	Std
Heavy-duty front bash plate and underbody shielding	Std
Heavy-duty side steps	Std
HID (High Intensity discharge) headlamps	Std
LED daytime running lamps and LED front fog lamps	Std
Prestige Paint	Opt
Rear bumper – unique RAPTOR design	Std
Recovery hooks – front (rated at 4 635kg) – rear (rated at 3 863kg)	Std
Strengthened chassis frame	Std
Tailgate handle – Dyno Grey	Std
Tailgate lock – power	Std
Tailgate with lift assistance	Std
Towbar	Std
